

Revealed: David & Goliath - Ed Baker

Icebreaker:

1. What is the kindest act you have ever done?
2. What was your dream job as a kid?

Engage the Bible:

1 Samuel 17 - Read as a group. Underline key passages or phrases that stand out to you. What surprises you about this passage?

Small Group Questions:

- God used David's past experiences. As you look back, are there experiences in your life that God could use today?
- David realized he could not rely on Saul's armor to defeat Goliath. Are there things in your life that you are tempted to trust in (bank account, talents...) rather than God?
- God has provided "smooth stones" for us to use in the battle against sin (the Bible, prayer, Christian friends, etc.). How effectively are you able to use them in your life?
