

Next Steps

Icebreaker:

1. If you had your own talk show, who would you invite as your first guest?
2. What is your favorite flower?

Summary:

We kicked off the year with our annual Leadership Huddle on January 18, 2025 — an inspiring morning spent celebrating the momentum God is building through our volunteers, leaders, and staff.

Together, we reflected on the power of Holy Moments—those moments when we make ourselves available to God. It's in these moments that we take next steps in shining His light here at Orchard and in our communities.

Now, we're excited to bring this same message to a Sunday morning, because we believe it's important for our whole church community to hear as we cast vision for 2025.

Engage the Bible:

Read Matthew 5:14-16, Mark 10:17-22, and Ephesians 2:10. Discuss as a group.

Small Group Questions:

- The Rich man's possessions were a distraction, keeping him from experiencing a Holy Moment. Jesus knew if he were to become more generous he would experience more life. What distracts you from experiencing Holy Moments?
- What is it that God has given you (virtue, gift, talent) that you would like to develop or master to serve others well and be generous?
- What bold next step might Jesus be inviting you to take to help you experience a holy moment and increase your ability to Shine On, shine a light in this world to glorify our father in heaven?
