

Matthew 2: 1-12 After Jesus was born in Bethlehem in Judea, during the time of King Herod, Magi from the east came to Jerusalem and asked, "Where is the one who has been born king of the Jews? We saw his star when it rose and have come to worship him."

When King Herod heard this he was disturbed, and all Jerusalem with him. When he had called together all the people's chief priests and teachers of the law, he asked them where the Messiah was to be born. "In Bethlehem in Judea," they replied, "for this is what the prophet has written:

"But you, Bethlehem, in the land of Judah, are by no means least among the rulers of Judah; for out of you will come a ruler who will shepherd my people Israel.

Then Herod called the Magi secretly and found out from them the exact time the star had appeared. He sent them to Bethlehem and said, "Go and search carefully for the child. As soon as you find him, report to me, so that I too may go and worship him."

After they had heard the king, they went on their way, and the star they had seen when it rose went ahead of them until it stopped over the place where the child was. When they saw the star, they were overjoyed. On coming to the house, they saw the child with his mother Mary, and they bowed down and worshiped him. Then they opened their treasures and presented him with gifts of gold, frankincense and myrrh. And having been warned in a dream not to go back to Herod, they returned to their country by another route.

Icebreaker: Can you spell myrrh without looking?

Conversation Starters:

How would you answer the question, Why did God send his son on earth to be born?

What questions bubble up in you when you hear that myrrh was an embalming ingredient? That God planned in advance to sacrifice his son? Do you believe it's true? What gets in the way for you?

Doug's message had kind of an Easter flavor, how did it change the way you view Christmas? Why is it "Good News full of great joy" ?

For those who don't follow Jesus, what questions would you have about this kind of news?
